

How to Vote

All Shareholders are encouraged to vote on the Resolutions to be proposed at the Requisitioned General Meeting and, if their Ordinary Shares are not held directly, to arrange for their nominee to vote on their behalf.

Investors who hold their Shares through an investment platform or other nominee service are encouraged to contact their investment platform provider or nominee as soon as possible to arrange for votes to be lodged on their behalf.

Further information about how to vote through investor platforms can be found on page 2.

Further information on how to vote across the most common investment platforms is available at the following link: <https://www.theaic.co.uk/how-to-vote-your-shares>

Shareholders are requested to complete and return proxy appointments to the Registrars by one of the following means:

- (a) For Shareholders on the main register,
 - (i) by logging on to www.sharevote.co.uk and following the instructions; or
 - (ii) by completing and signing the enclosed Form of Proxy for use in relation to the Requisitioned General Meeting, in accordance with the instructions printed thereon and returning by post, by courier or by hand, in either case so as to be received by the Registrars, Equiniti Limited, as soon as possible and, in any event, no later than 1 p.m. on 18 August 2025; or
- (b) For individual Shareholders holding their Ordinary Shares through investor platforms, you will need to contact your platform in order to register your vote. If your platform is one of those which does not offer the facility to vote via its website, you will need to contact them directly by phone or their messaging system giving your instructions to vote. Shareholders should be aware that the deadlines for voting through platforms may be earlier than the Company's proxy voting deadline; or
- (c) For CREST members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out in the notes to the Notice of General Meeting; or
- (d) For institutional Shareholders, via Proxymity (proxy appointments must be received by Proxymity as soon as possible and, in any event, no later than 1 p.m. on 18 August 2025).

Shareholders (including those holding their Ordinary Shares through investor platforms) are also encouraged to attend, and to vote at, the meeting.

It is important that you complete and return the Form of Proxy, appoint a proxy or proxies electronically or use the CREST electronic voting service in the manner referred to above as soon as possible.

Completion and return of proxy appointments will not prevent you from attending and voting in person at the Requisitioned General Meeting should you wish to do so.

You will then be able to appoint who will vote your shares (a proxy) for you at the meeting. It is recommended to appoint the Chair of the Meeting to do this

Who would you like to vote for you?

You can appoint another person (a proxy) to attend, speak and vote at the meeting on your behalf.

Even if you are planning on attending the meeting yourself, we recommend that you appoint the Chair of the Meeting as your proxy and give voting instructions. This ensures that your vote will still be counted even if you do not attend.

The Chair of the Meeting will vote in accordance with any voting instructions given. If you do not indicate how your proxy is to vote on a particular resolution, your proxy can decide whether, and how, you vote. Your proxy can also vote, or abstain from voting, as they decide on any other business which may validly come before the meeting.

Appointing a proxy will not prevent you from attending and voting in person at the meeting should you wish to do so.

For full details of the resolutions, please read the notice of meeting available in the 'Useful Links'.
You can vote all of your shares for a resolution or you can specify a number of shares. You can quickly vote all resolutions the same way by using 'Select All'.
The vote withheld option is provided to enable you to instruct your proxy not to vote on a resolution. However, a vote withheld is not a vote in law and will not be counted in the calculation of votes for and against a resolution.
