Dear Shareholder

Gore Street Energy Storage Fund plc (the “Company”)

Annual General Meeting – Wednesday, 19 August 2020 at 09.00 a.m.

Following the recent publication of the Company’s annual report and financial statements for the year ended 31 March 2020, please find enclosed the notice of annual general meeting (the “**Notice of AGM**”) of Gore Street Energy Storage Fund plc (the “**Company**”) which will be held at 09.00 a.m. on Wednesday, 19 August 2020 that sets out the business to be considered at the meeting and the purpose of this letter is to outline the special arrangements that will be in place at this year’s AGM and to explain certain elements of that business to you.

Proposed AGM Arrangements

As you may know, we are required by law to hold an AGM within six months of our financial year end. Given the unprecedented circumstances, the Board will be moving forward with the AGM but has decided to put in place contingency arrangements that mean the AGM will not follow its usual format. In so doing, the Board is relying on the provisions of the Corporate Insolvency and Governance Act 2020. Only the statutory, formal business (consisting of voting on the resolutions proposed in the Notice of AGM) to meet the minimum legal requirements will be conducted and the AGM will proceed as set out below:

- the AGM will be held virtually via videoconference, there will therefore be no place of meeting;
- there will be no presentation at the AGM;
- Shareholders cannot attend the meeting in person, there will therefore be no opportunity to ask questions of the Board or of the Investment Manager at the meeting (although there will be an opportunity to ask questions in advance of the meeting and further information in relation to this is given below);
- the votes on the resolutions to be proposed at the AGM will be conducted on a poll and the chairman of the meeting will vote on a poll in accordance with the proxies held; and
- the results of the proxy votes will be published immediately following the conclusion of the AGM by way of a stock exchange announcement and on the Company’s website.

Although this is a very unusual approach, the Board considers that given the social distancing measures currently in force and in light of the latest published government guidance and provisions of the Corporate Insolvency and Governance Act 2020, proceeding with a “technical” AGM is in the best interests not only of the Company, but also of each of its individual shareholders.

The Board will continue to monitor the Government’s advice and urges all Shareholders to comply with any restrictions in place at the time of the AGM. If circumstances change and if social distancing measures are further relaxed before the AGM, the Company may consider amending the proposed format of the AGM. In such circumstances the Company will notify shareholders of any changes to the proposed format for the AGM as soon as possible via RIS and its website (www.gsenergystoragefund.com)

The only action that you need to take is to vote on the Resolutions by completing the accompanying Form of Proxy for use at the Annual General Meeting.

Shareholders are asked to complete and return the Form of Proxy in accordance with the instructions printed thereon to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, as soon as possible and in any event by not later than 09.00 a.m. on Monday, 17 August 2020.

Gore Street Energy Storage Fund plc Annual General Meeting

We will announce the proxy voting results to the London Stock Exchange and publish them on our website following conclusion of the AGM.

If you have a question relating to the business of the meeting or a question for the Board or the Investment Manager that you had been planning to ask at the AGM, please send it by email to GoreStreet.Cosec@jtcgroup.com. To the extent that it is appropriate to do so, we will respond to any questions received in a Q&A which will be posted on our website, in advance of the AGM. Please note all questions should be submitted by close of business on Friday, 14 August 2020 to ensure that we are able to respond to them in advance of the AGM.

The Board regrets not being able to hold a more typical AGM this year, but we hope you appreciate the reasons behind these changes. We believe they are in the best interest of our shareholders. That said, we recognise that receiving an email, letter, announcement or website update is no substitute for being able to meet with your Board and your Investment Manager. Accordingly, the Board, in consultation with the Investment Manager, will endeavour to provide Shareholders with a further opportunity to engage with the Company later in the year at a point at which it is safe and permissible to do so.

Formal Business of the AGM

Ordinary Resolutions

1. Resolution 1: Receive the Annual Report and Financial Statements

The Companies Act 2006 (the "**Companies Act**") requires the directors of a public company to lay before the company in general meeting copies of the annual report, directors' report and its auditor's report in respect of each financial year. These are contained in the Company's annual report and financial statements for the year ended 31 March 2020 ("**the 2020 Annual Report**"). Accordingly, a resolution to receive the 2020 Annual Report is included as an ordinary resolution. Shareholders in the Company ("**Shareholders**") will have the opportunity to put any questions to the directors before the resolution is proposed to the meeting by following the procedure outlined above.

2. Resolution 2: Approve the directors' remuneration report

The directors' remuneration report can be found on pages 45 to 48 of the 2020 Annual Report and is subject to an advisory vote by Shareholders, which is proposed as an ordinary resolution. It details the payments that have been made to Directors during the year, in accordance with the current remuneration policy.

3. Resolution 3: Dividend policy

Resolution 4 proposes, as an ordinary resolution, to approve the Company's dividend policy to pay four interim dividends per year. This policy is consistent with dividend policy set out in the prospectus published by the Company on 9 March 2018.

4. Resolutions 4 to 7 – Re-election of directors

In accordance with the provisions of the AIC Corporate Governance Code 2019 all directors should be subject to annual re-election accordingly, Patrick Cox, Caroline Banszky, Malcolm King and Thomas Murley will stand for re-election at the annual general meeting of the Company.

Brief biographies of each member of the Board standing for election can be found in the 2020 Annual Report.

5. Resolutions 8 and 9 – Appointment of auditors and auditors' remuneration

Resolution 8 relates to the appointment of EY LLP as the Company's auditors to hold office until the conclusion of the Company's next annual general meeting. This resolution is recommended by the Company's audit committee and endorsed by the Board. Accordingly, it is proposed, as an ordinary resolution, to appoint EY LLP as the Company's auditors. Similarly, resolution 9 authorises the Directors, upon recommendation from the Company's Audit Committee, to fix the auditors' remuneration.

The Directors, having regard to the audit committee's recommendation, consider that the level of consultancy related non-audit fees to audit fees undertaken by EY LLP is appropriate for the

Gore Street Energy Storage Fund plc
Annual General Meeting

advisory work required to be undertaken for the period ended 31 March 2020 and that these do not create a conflict of interest on the part of the independent auditor.

6. Resolutions 10 and 11: Directors' authority to allot

Resolutions 10 and 11 authorise the Board to allot:

- (pursuant to resolution 10) ordinary shares generally and unconditionally in accordance with section 551 of the Companies Act up to an aggregate nominal value of £77,176.18, representing approximately 10 per cent. of the issued ordinary share capital at the date of this Notice of AGM; and
- (pursuant to resolution 11) further ordinary shares generally and unconditionally in accordance with section 551 of the Companies Act up to an additional aggregate nominal value of £77,176.18, representing approximately 10 per cent. of the issued ordinary share capital at the date of this Notice of AGM.

If both resolution 10 and resolution 11 are passed, Shareholders will be granting the Directors the authority to allot a total of up to 20 per cent. of the existing issued ordinary share capital of the Company. The Board recognises that this percentage authority is beyond the standard 10 per cent. authority typically sought by investment companies, but believes that the passing of both resolution 10 and resolution 11 is in Shareholders' interests given that:

- the authority is intended to be used to fund specific investment opportunities sourced by the Company's investment manager, thereby mitigating the potential dilution of investment returns for existing Shareholders; and
- ordinary shares issued under this authority will not be issued at prices less than the last published net asset value per share at the time of issue, less any dividends.

If resolution 10 is passed but resolution 11 is not passed, Shareholders will only be granting Directors the authority to allot up to 10 per cent. of the existing issued ordinary share capital of the Company.

Each of the authorities granted pursuant to resolution 10 and resolution 11 shall expire at the next annual general meeting of the Company or, if earlier, on 18 November 2021. The Directors consider it important to have the maximum flexibility commensurate with good corporate governance guidelines to raise finance to enable the Company to fund specific investment opportunities sourced by the Company's investment manager and respond to market developments and conditions.

7. Resolutions 12 and 13: Disapplication of statutory pre-emption rights

Resolution 12 and resolution 13 are both special resolutions which are being proposed to authorise the Directors to disapply the pre-emption rights of existing Shareholders in relation to issues of ordinary shares under resolution 10 and resolution 11 (being in respect of ordinary shares up to an aggregate nominal value of £154,352.36, representing up to 20 per cent. of the Company's issued ordinary share capital as at the date of the Notice of AGM).

In the event that resolution 10 is passed, but resolution 11 is not passed resolution 13 will not be proposed to the AGM. On its own, resolution 12 only proposes to authorise the Directors to disapply the pre-emption rights of existing Shareholders in relation to issues of ordinary shares under resolution 10 (being in respect of ordinary shares up to an aggregate nominal value of £77,176.18, representing up to 10 per cent. of the Company's issued ordinary share capital as at the date of the Notice of AGM).

No issuance of ordinary shares without pre-emption rights will be made at a price less than the last published net asset value per ordinary share at the time of issue, less any dividends.

The power granted by this resolution will expire on the conclusion of the Company's next annual general meeting or, if earlier, on 18 November 2021.

8. Resolution 14 – Market purchases of own shares

This resolution seeks authority for the Company to make market purchases of its own ordinary shares and is proposed as special resolution. If passed, the resolution gives authority for the Company to purchase up to 7,877,067 of its ordinary shares, representing 14.99 per cent. of the

Gore Street Energy Storage Fund plc
Annual General Meeting

Company's issued ordinary share capital (excluding treasury shares) as at the date of this Notice of AGM.

The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire on the earlier of 12 November 2021 and the Company's next annual general meeting.

The directors do not currently have any intention of exercising the authority granted by this resolution. The directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of Shareholders generally and will result in an increase in earnings per ordinary share.

The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). The directors currently intend to cancel all shares purchased under this authority.

The Company does not have any options or outstanding share warrants.

9. Resolution 15 – Notice period for general meetings

Resolution 15 is to be proposed as a special resolution to allow the Company to hold general meetings (other than annual general meetings) on at least 14 days' notice.

If approved, the resolution will be effective until the end of the Company's next annual general meeting. The Board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time sensitive.

ACTION TO BE TAKEN BY SHAREHOLDERS

All Shareholders, whose names appear on the register of members at the record date shown below, are encouraged to vote via proxy at the AGM.

The quorum for the AGM is not less than two members present (attending virtually or by proxy).

Date on which proxies must be received	09.00 hours on Monday, 17 August 2020

A corporation which is a Shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a Shareholder provided that no more than one corporate representative exercises powers over the same share. - You may have a right under an agreement between you and the Shareholder of the Company who has nominated you to have information rights (the "**Relevant Shareholder**") to be appointed or to have someone else appointed as a proxy for the meeting.
- If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Shareholder to give instructions to the Relevant Shareholder as to the exercise of voting rights.
- Your main point of contact in terms of your investment in the Company remains the Relevant Shareholder (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

The rights relating to proxies set out above do not apply directly to nominated persons.

Withheld votes

A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
